Dec. 1st, 2023

Invitation Letter

Dear_____,

On behalf of the Program Committee and Organizing Committee, we are pleased to invite you to participate in the 9th International Conference on Big Data and Information Analytics (BigDIA 2023) to be held in Haikou, China during December 15-17, 2023.

The conference will focus on the newest progress in Big Data for scientific exploration, including fundamental research and rapid knowledge in collecting, processing, analyzing, integrating, annotating and visualizing big data. We will invite experts from academia, industries and government agencies to share their ideas about big data together.

All speakers and presenters are required to register at the conference. An accepted paper without registration will be removed from the BigDIA 2023 proceedings. All speakers are expected to cover your own travel expenses and local accommodations. You may also encourage your students, postdocs and other trainees to register and attend the conference.

We are looking forward to seeing you at BigDIA 2023 in Haikou!

Sincerely yours,

Huanhuan Chen
